

Fall 2019 CAT CONFERENCE
Saddleback Community College
Automotive Technology
28000 Marguerite Parkway
Mission Viejo, CA

October 18th- October 19th, 2019

Dear CAT Member;

We are preparing our campus in anticipation of your attendance at this years' conference.

Below you will find the preliminary details for the spring conference.

For those attendees who are traveling via air, the nearest airport is SNA John Wayne followed by Long Beach and LAX. All three airports are approximately 30-60 minutes from our campus.

We have several hotels located within 5-10 minutes of our campus. The two listed below have a number of rooms reserved at a reduced rate for CAT attendees. When making a reservation mention that you are attending the CAT Conference or CAT 2019, and they will provide you with a discounted rate while vacancies are still available. However, you must reserve via phone to receive the reduced room rate.

FRIDAY

Friday will begin with early bird registration for members that have pre-registered.

- For attendees that arrive early on Thursday, our campus will be open until 9:50 P.M.
- You will have a choice of one of three tours available Friday at 10:00 A.M. CP Carrillo and Rods, or KARMA Automotive or Lyons Air, Auto, Military Vehicles and Military Motorcycle Museum. **Guests must arrange to carpool or some other form of transportation to and from the tours.**
- Following the tours that evening, dinner will be held. The BAR meeting and CAT Board Meeting will commence right after dinner, with a couple of workshops available concurrently.

TOURS ON FRIDAY		
10:00am-12pm	10:00am-12pm	10:00am-12pm
CP Carrillo	KARMA Automotive	Lyon Museum
www.cp-carrillo.com	www.karmaautomotive.com	www.lyonairmuseum.org
Cost: Free	Cost: Free	-General admission \$12 -Senior/Vet \$9 Groups of more than 10 gets \$1 off each admission.
Each tour can accommodate up to 20 people		

SATURDAY

Saturday morning, we will have coffee and assorted pastries, as well as late registration, and time for attendees to visit with exhibitors. Morning workshops will begin, with a second BAR meeting for those who were unable to attend Friday. After the morning workshops, lunch will be available, and the business meeting held, as well as additional time to visit with exhibitors. The raffle will occur after lunch, with afternoon workshops beginning afterward, culminating the conference. Tentative workshop presenters and topics thus far include:

WORKSHOPS	
Presenter/Organization	Topic
Bryan Perrin Automotive Training Group	Monitors and Why They Don't Run
David Bjurlin Butte College / Lucas-Nuelle	ASE L3 Hybrid & Electric Vehicle technology in the classroom
Allen Selzler Continental Automotive Systems Inc.	TPMS Holding Up the Bay
Lyle Taylor ATech Training, Inc	The Shocking State of Electrical Training in the Classroom
Thomas Broxholm Skyline College	Pico Basics and Beyond (Hands-On)
