

Greetings Fellow CAT Members,

The Hartnell College Automotive & Diesel Program would like to invite you to the Spring 2018 California Automotive Teachers conference to be held April 27th and 28th in Salinas, California.

Below you will find a list of local Hotels, tours, and other attractions. If you will be visiting us for a longer period of time, please contact Mark DeHart for events and a little 'guide' that can be emailed to you with eateries and entertainment. We have also enclosed a partial list of Presenters scheduled for the conference.

Registration opens on: March 1st, 2018.

Check the website for the most up to date information: www.calautoteachers.com

PAYMENT:

Please Note! CAT now only accepts credit card payment for the conference and dues. For the few of you who used PO and district payment we suggest a district credit card or pay with a personal credit card and submit for reimbursement. It was our intention to have this letter along with some of our workshops available to you 1 month before registration opens so you have time to submit a request to attend.
