

AUTOMOTIVE TECHNOLOGY PROGRAM

Skyline College Automotive Department Part Time Instructor.

Skyline College Automotive Department has partnered with the Jefferson Union High School District. We are looking for an automotive professional who is interested in getting into teaching or has some teaching experience and would be willing to work with High School students. Terra Nova High School in Pacifica, CA has scheduled 3 sections of Auto Shop 5 days a week in the morning. We have an instructor who can teach this until the middle of January. We are looking for someone who would be willing to finish teaching the class starting in mid-January until the end of the school semester in June 2019.

The instructor is employed by the San Mateo Community College District (Skyline College) but will hold classes on site at Terra Nova High School in Pacifica, CA.

Interested applicants should contact:
